
Start your morning off on the right foot by walking to school!

Walking School Bus

What is a Walking School Bus?

A Walking School Bus is when you have one or more adults meet students a few blocks from school and walk a predetermined route, picking other students up along the way.

Students who don't live within walking distance can be dropped off at the meeting point, allowing them to walk to school with their classmates.

It really is that easy!

1. Pick a meeting point and set a meeting time.
2. Pick a route (try for one with low traffic volume and speeds).
3. Find adult volunteers.
4. Advertise to students.

Have questions? Would you like help setting up a Walking School Bus? Call Virginia at the La Crosse County Health Department at 608-785-9833
